COMMUNITY OF PRACTICE

Webinar Series for Trainers and Counsellors

Wednesday, 3 June 2026
15:00 CET
Online via Zoom

WEBINAR 1

"Creativity, Divergent Thinking and Innovation"

A simple guide on how to think outside of the box and generate new ideas.

Learn simple ways to foster creativity, divergent thinking, and innovation in learning and counselling contexts.

SPEAKER

Monica Lillis

Educational Consultant and Researcher, Daissy Group – Hellenic Open University (HOU)

Monica Lillis is an educator and researcher specialising in creativity, visual literacy, and innovative approaches in art education.

AIM OF THE WEBINAR SERIES

To support adults with low educational attainment in navigating learning and career transitions.
