COMMUNITY OF PRACTICE

Webinar Series for Trainers and Counsellors

Monday, 30th November 2026
15:30 CET
Online via Zoom

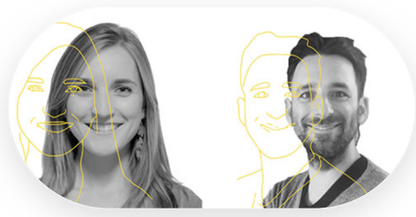

WEBINAR 3

Breathe New Life into Your Training Sessions Through the Development of Agency Skills

More than just a concept, you'll learn simple activities to implement with your learners. You'll also be introduced to a European training course taking place in Bordeaux in March 2027, designed to bring the magic back to your training and counselling sessions.

SPEAKERS

Vincent RAINEAU & Sophie CHORON

Opportunity developers and skills-building facilitators

Both of whom support trainers who aim to make a difference with their trainees, by revealing their potential and encouraging them to think outside the box.

AIM OF THE WEBINAR

To support trainers and counsellors in their work with adult learners with low educational backgrounds.
